Extreme wildfire danger is expected across all areas of southwest Oregon and northern California through Wednesday due to very strong east winds and very dry conditions. These conditions may allow new or existing fires to spread rapidly.

Follow all local fire restrictions. Avoid outdoor activities that can cause sparks near dry vegetation and don't drive over dry grass. Report any signs of smoke or fire immediately by calling 911! In the event of an evacuation for a wildfire, follow instructions of local officials.

Visit readyforwildfire.org for additional preparedness tips. Plan, Prepare and Stay Aware.
